EXPERIENCE THE JPS DIFFERENCE

THE JPS DIFFERENCE

Jubilee Park Stadium has a number of modern function rooms of various sizes ready to be staged with any set up to suit you.

From sit down boardroom meetings for 10 guests to award nights for 200 people, and everything in between, our friendly and professional team are ready to bring the event you're imagining to life.

With a range of menu options to suit your budget, the JPS team pride ourselves on going above and beyond to ensure your delectable menu will have your guests talking for days.

At JPS, we are also proud to offer the best interlinking (sound & AV system) to ensure all of your guests can hear and see everything happening for presentations and speeches, regardless of where they are in each room.

All of our function and meeting areas can be found on our second floor with windowed walls giving your guests the best seats with a view to our 1000-seated show court, so if sport is on the menu, serve it up with a view. Blinds can be closed if you're looking for privacy.
