THE JPS DIFFERENCE

Jubilee Park Stadium provides modern, flexible meeting and event spaces that connect people, ideas and community. Located at the heart of Frankston's premier sporting precinct, JPS combines professional-grade facilities with a welcoming, community-minded atmosphere.

From board meetings and professional development days to workshops and networking events, we make it easy for local organisations, schools and businesses to host memorable events that inspire collaboration and belonging.

We offer a full-service experience from enquiry to event day, tailored to the needs of busy professionals. Our events and meeting rooms feature state-of-the-art AV technology, flexible room configurations and all-inclusive catering options, supported by a friendly, experienced on-site team.

Our event and meeting areas can be found upstairs on the first floor with windowed walls giving your guests the best seats in the house. If sport is on the menu, serve your guests with a view, overlooking our 1000 seat show court. If your event or meeting calls for privacy, these windows can easily be covered with blinds for discretion.
